July 2009

Dear Member:

Please find enclosed your annual license renewal form. The final deadline for renewing your license is August 31, 2009. Please make sure that the renewal has been received by the College on or before this date as there is a \$200 penalty for late renewals. There are no exceptions accepted.

I would point out that there is a small increase in the fee to \$1350 to account for the cost of living.

The option of online renewal is again available. The web address is www.cpsm.mb.ca.

On behalf of the Council and College staff, I would like to wish all of you a safe and happy summer.

Yours sincerely,

COLLEGE OF PHYSICIANS &

Dear Doctors,

Currently, we ask for emergency contact telephone numbers or e-mail address. Thank you for supplying that information. As noted, that information has been provided to us to be kept private except in the event of a true emergency.

In June, the Manitoba Legislature passed The Regulated Health Professions Act. This will change the whole way this College does business and works with the public and members. We will be writing new regulations for everything the College does over the next year.

The Act requires ongoing consultation with physicians about these regulations, College ethical Statements, the Code of Conduct, Continuing Professional Development and other important topics. In order to provide this information for your consideration and comment, it is important that we have a regular e-mail contact for you. We will be providing frequent mailings in the next few years. In addition, this will allow the College to keep you up to date on what is happening and important trends for the future.

Please provide your desired e-mail address below. This may be returned with your mail renewal, faxed directly to the College (204 – 774-0750), or e-mailed to us at swiebe@cpsm.mb.ca.

Many thanks.

Yours sincerely,

COLLEGE OF PHYSICIANS &
SURGEONS OF MANITOBA
