

Application Requirements [*Regulated Health Professions Act (RHPA) ss.32.1c – 1e*]; *CPSM General Regulation 3.2(1) ss.1 – 11; 3.7(a) – (e)*]

1. A signed application in the approved form.
2. The fees provided for in the by-law.
3. Satisfactory proof of identity and full legal name and, if applicable, any previous names or aliases.
4. A recent passport sized photograph.
5. A list of all jurisdictions where the applicant is or was authorized to practise medicine or any other regulated profession or occupation.
6. Satisfactory evidence of good standing in each jurisdiction in which the applicant is or was authorized to practise medicine or any other regulated profession or occupation.
7. A satisfactory criminal record check, a satisfactory child abuse registry check and a satisfactory adult abuse registry check.
8. MINC number, if applicable.
9. His or her name has not been removed — as a result of professional misconduct, or any other cause, that is relevant to his or her suitability to practise medicine — from the register of persons authorized to engage in the practice of medicine, or any other health profession, in Canada or elsewhere.
10. He or she has not been suspended — as a result of professional misconduct, or any other cause, that is relevant to his or her suitability to practise medicine — by a regulatory authority governing the practice of medicine, or any other health profession, in Canada or elsewhere.
11. He or she has not been convicted of an offence that is relevant to his or her suitability to practise medicine.
12. He or she does not have a physical or mental condition or disorder, including any addiction to alcohol or drugs, that may impair his or her ability to engage in the practice of medicine in a safe and effective manner, and that makes it desirable in the public interest that he or she not engage in the practice of medicine.
13. He or she has not had a physical or mental condition or disorder, including any addiction to alcohol or drugs, that is likely to reoccur and impair his or her ability to engage in the practice of medicine in a safe and effective manner, and that makes it desirable in the public interest that she or she not engage in the practice of medicine.
14. His or her past and present conduct affords reasonable grounds for the belief that the applicant will engage in the practice of medicine competently and with decency, integrity and honesty and in accordance with the law.

DISCLOSURE REQUIREMENTS [*CPSM General Regulation 3.2(1) ss 12.*]

1. Is the subject of a current investigation or proceeding relating to his or her conduct, competence, capacity or fitness to practise a health profession or any other regulated profession or occupation in Canada or elsewhere;

2. Is or has been the subject of a finding of conduct unbecoming, professional misconduct or incapacity or lack of fitness to practise a health profession or any other regulated profession or occupation in Canada or elsewhere;
3. Is or has been the subject of a review of his or her conduct, competence, capacity or fitness to practise a health profession or any other regulated profession or occupation in Canada or elsewhere, whether arising from a complaint or otherwise;
4. Is the subject of a claim, has settled a claim or has had a judgment made against him or her in relation to a civil claim in Canada or elsewhere respecting the applicant's professional practice or professional activities.
5. Has had his or her authority to practise medicine or any other health profession suspended, restricted, or revoked;
6. Is or has been the subject of any denial of an application to practise a health profession or any other regulated profession or occupation in Canada or elsewhere;
7. Has entered a guilty plea to, or has a conviction for, a criminal offence or an offence under any narcotic or controlled substances legislation in any jurisdiction.
8. Has any outstanding criminal charges in respect of any offence, including an offence under any narcotic or controlled substances legislation in any jurisdiction;
9. Is resuming practice after not being authorized to practise for two or more consecutive months in another jurisdiction in Canada or elsewhere;
10. Is or will be performing a procedure that involves a risk of transmission of a bloodborne pathogen.

Note that the Registrar may require an applicant to produce "any other information required by the Registrar", in the event that areas where additional disclosure information or documentation is required are identified.
