CERTIFICATE OF PREREGISTRATION PHYSICIAN TRAINING **APPENDIX A**

Physicians are required to provide evidence of satisfactory completion of postgraduate clinical training acceptable to the College which:

- (a) contained a core content of eight weeks each of general medicine, general surgery, obstetrics & gynaecology, and paediatrics.
- (b) took place in one or more health care facilities affiliated with an approved faculty of medicine whose faculty are on-site, and which provided supervision and formal evaluation by the teaching staff.
- (c) is recognized for the purposes of registration in which the clinical training was completed.
