

CRIMINAL RECORD CHECK UNDERTAKING

I, _____, an applicant for registration with the College of Physicians and Surgeons of Manitoba ("the College") understand that:

- (a) one of the requirements for registration with the College is a criminal record check which
 - (i) is satisfactory to the College, and
 - (ii) which must include a check for a sexual offence for which a pardon has been granted or issued (a vulnerable sector search)¹, and
- (b) that a request for a criminal record check respecting me was made but the report has not yet been received.

I therefore request that the College issue registration on the basis of my representation that I have a clear criminal record and vulnerable sector search and subject to immediate cancellation if the criminal record check or vulnerable sector search are not satisfactory to the College. I understand and agree that if the results of the check or vulnerable sector search are not satisfactory to the College, my registration with the College will be immediately cancelled.

I am aware that I have the right to seek legal advice with respect to this agreement. I am signing this agreement voluntarily and for the purpose of inducing the College to issue my registration in advance of receipt of a satisfactory criminal record search and vulnerable sector search.

¹ A Criminal Record Check for a Sexual Offence for Which a Pardon has been Granted or Issued is required for a person applying for a position with a person or organization responsible for the well-being of one or more children or vulnerable persons, if the position is a position of authority or trust relative to those children or vulnerable persons. A search is made in criminal conviction records to determine if the applicant has been convicted of a sexual offence listed in the schedule to the Criminal Records Act and has been pardoned.
